About Us

The Playhouse opened in 1971 with the debut of our first show, "The Bad Seed". Plays were performed at several venues before purchasing a building in Midway. In 2000 we moved to our current residence. Dozens and dozens of shows have been produced in this theatre. Now with our 2017 renovation complete, we can continue to produce exceptional plays, musicals, and children's theatre. The Playhouse established a scholarship program to benefit one performing arts student per year to assist with their college education. We also hold FREE workshops in acting, improvisation, and directing. There are many opportunities at Twin Lakes Playhouse: *directing, producing, acting, sound and lights, backstage, costumes, makeup, building props and sets, tickets, ushering, working in concessions, parking cars, serving on the Board of Directors, many more!*

If you'd like to participate, please contact us in person or by phone and we'll get you started!

On a dark and stormy night, Purity, a working girl with a secret, seeks shelter in a Vermont inn. She left her canning factory job as she can no longer endure black-hearted Mortimer Frothingham's attentions. Working as a maid, she falls in love with the brave Leander. But Mortimer still pursues Purity and will win her by fair or foul means. So, he begins his campaign of villainy. He locks our hero, Leander, in a room with a time bomb, who escapes in the nick of time. Heavily disguised, Mortimer returns and Purity is treated to more double dealing and double crossing.
