

COVID-19 Precautions

1. Patrons will be *required* to wear a mask if over 10 years of age.
2. Every patron's temperature will be checked upon entrance and will be asked several questions pertaining to travel and health. Patrons will not be able to enter if:
 - They have fever, cough, shortness of breath, sore throat, or loss of taste or smell.
 - They have had known exposure to someone with Covid-19 in the past 14 days.
3. 6 feet must be maintained, so only groups with family members should sit together. If you plan on going with anyone who does not live in the same household with you, please call 870-424-0444 for our help on getting you seats as close together as possible, while still allowing for the 6- foot distance.
4. We are allowed to serve refreshments, so our concession stand will be open. However, please keep a 6-foot distance between others or we will not be able to accommodate you.
5. Though it is a tradition at Twin Lakes Playhouse to allow audience members to come to stage and greet the cast at the end of plays, we will forego this to keep the required 12 feet of distance between those on stage and those in the audience.
6. If you have any questions about how we are protecting our volunteers, or about any of the guidelines, please don't hesitate to call 870-424-0444 or send an email to twinlakesplayhouse.org. We welcome your comments.
