## Volunteers and Members Update

MARCH 2014

### Letter from the Chairman - Paula Hill

As you may remember I invited all membership to a Strategic Planning Session on March 1st. And, if I may say so myself; it was a success. We had a lot of good discussions and great exercises to get us on the right track. With Cody Garrisons' facilitating skills we came up with a Mission and a Vision for Twin Lakes Playhouse. We verbalized together what our strengths and our weaknesses are. And through more exploring we found some wonderful opportunities that are available to us in the Twin Lakes area. We have some work ahead of us and we can use everyone's help. I hope you can find the passion within you to contribute your skills. I am hoping to invite Cody again in the near future to help us further our awesomeness of TLP.

Thank you for all of your support and talents to keep TLP Entertaining, Enriching and Educating!
